Some players saw huge increases from last yearly as a chapter of present deals with their clubs.

A few players worth noting aboard the lofty end:

Andres Mendoza (Columbus) is the Crew's lone DP has a pretty high salary compared to the vacation of his club. At \$500k as the season, he's a hefty price to disburse as a companion that hasn't done a whole lot. Nery Castillo (Chicago) is on the books as \$2 million? Really? Why? Conor Casey (Colorado) is Big bump as Casey, I don't recollect his salary being this lofty (\$400k) last annual Well deserved though from his activity last season, nike football cleats. Charlie Davies (D.C. United) is Interesting seeing his base salary along \$182k as the daily He'll obtain much more than that obviously but I'll acknowledge I was expecting this to be higher. Omar Bravo (Sporting KC) is Obviously KC accustom a lot of allocation to pay down his salary (\$120k base), as a DP you'd think he'd be higher merely he's not This likewise leads me to think that KC won't have a lot of accompanying allocation to throw approximately after this summer. Benny Feilhaber (New England) is It's beauteous clear to discern why Chivas USA may have passed on him, along \$300k as a base salary, he's a hefty cost to pay Dwayne De Rosario (New York) is Still trying to diagram out how NY is fitting among his \$425k salary, Toronto have to be picking up a agreeable portion of it. Chris Wondolowski (San Jose) is Nice bump as the Golden Boot winner, he's sitting along \$175k as the annual now

On the inexpensive end:

George John (Dallas) is Possibly an of the cheapest centerbacks in the federation along \$42k. Surprised he didn't obtain a bump this annual among salary.
